

Dear business

## **IMPORTANT – PLEASE READ (August 2025)**

### **North Lanarkshire Half Marathon Event**

**Sunday 24<sup>th</sup> August 2025, 8.45am – 2pm, Ravenscraig Regional Sports Facility, Motherwell ML1 2TZ**

#### **HALF MARATHON ROAD RACE**

We expect a high volume of participants taking part in the above road race event. The race starts and ends at Ravenscraig Regional Sports Facility, with the route covering surrounding local areas. Please see the map overleaf detailing the event route, which is approximately 13 miles.

#### **ROAD CLOSURES AND RESTRICTIONS**

The Half Marathon requires extensive road closures and restrictions throughout the area on the day of the event. These restrictions will have a significant impact on travel including public transport and access to/from homes and premises along the route and surrounding areas, particularly affecting Carfin, Newarthill, Holytown, Mossend, New Stevenston and parts of Motherwell, **with a large number of areas having no vehicular access to the road network.**

Given the scale of this event and the level of restrictions, it is **essential** that you refer to the information in this letter including the Temporary Traffic Management Order (attached). Further information can also be found at [activenl.co.uk/half](http://activenl.co.uk/half)

Road closures and temporary traffic management will be in operation prior to and for the duration of the event. **Preparations will begin from approximately 4am on Sunday 24 August, and will continue to be in operation until approximately 4pm, however, closures and restrictions will begin to be lifted as a rolling process following the marathon route. Indicative removal times are included in plan below.** In addition to road closures there will be turning bans, restrictions on access and parking and a reduced speed limit (20mph). **‘No Waiting No Loading’ restrictions will be in force along the majority of the route. Vehicle removal equipment will be in operation.**

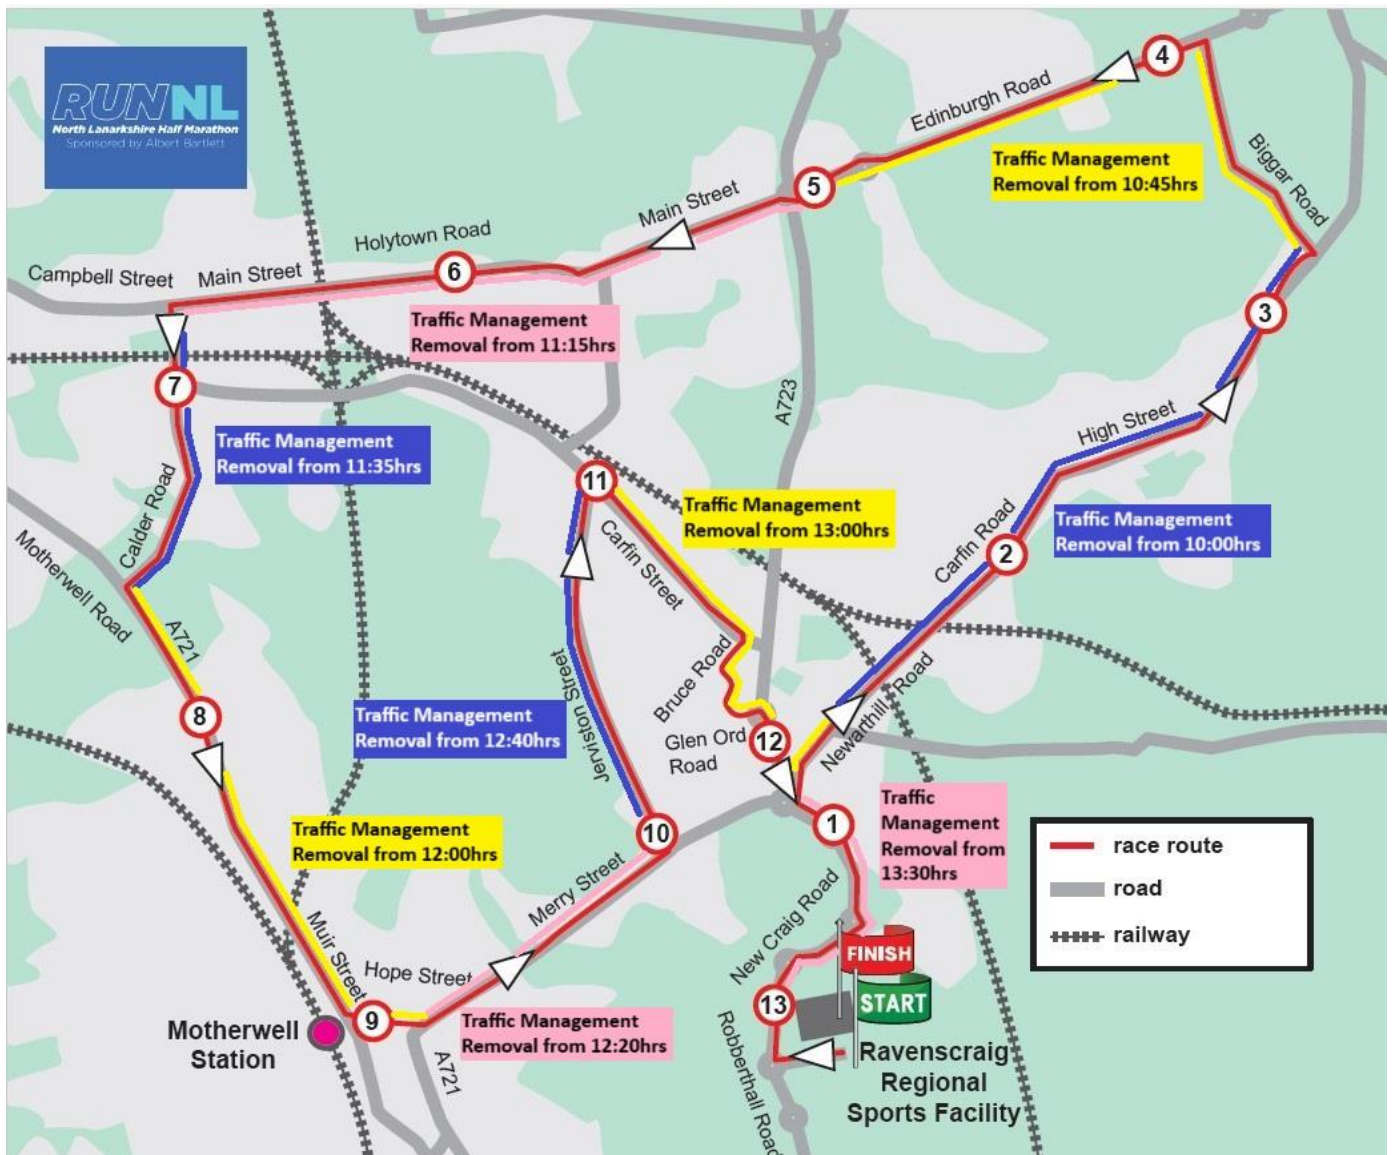

**All roads along the event route will be closed to vehicular traffic.** The majority will be closed in one direction only, except for the following lengths of road which will be closed in both directions:

- B7029, Motherwell Road, Carfin from the roundabout junction with the A723 Merry Street to Carfin Cross
- Biggar Road, Newarthill between the B7066, High Street and the A775 Edinburgh Road
- B7029, Carfin Street between Argyll Wynd and Bruce Road
- Bruce Road, Carfin between Carfin Street and Millard Avenue
- A723, Carfin-Holytown Link Road between Carfin Street and Glen Ord Road

**All roads that form a junction with the event route will either be fully closed or subject to a turning restriction.** This is **IMPORTANT** to note for all properties encircled by the event route as while roads immediately adjacent to your home may be open, junctions with the event route will be **closed**. Please refer to the Temporary Traffic Management Order for more details.

**PREMISES ALONG THE EVENT ROUTE WITH DRIVEWAYS AND ACCESSES** – Driveways and accesses which access onto the event space will be closed during preparations for the restrictions and for the duration of the event. **This means affected properties will not be able to enter or exit driveways and private accesses during this time.** (Closure of driveways will be lifted as part of a rolling process along event route, see map for indicative times of removal).

We are working closely with multiple agencies to minimise the disruption to residents and local businesses; however, we ask you to be prepared in advance for these major restrictions. Plans are in place to facilitate emergency and critical care access to homes which are encircled by the event route via controlled access points at appropriate locations.

Thank you in advance for your support and understanding.

Additional information about the event and other activities on the day at Ravenscraig Regional Sports Facility can be found at [activenl.co.uk/half](http://activenl.co.uk/half)

If you have any questions about any aspect of the event, please email [events@northlan.gov.uk](mailto:events@northlan.gov.uk)

NORTH LANARKSHIRE COUNCIL  
SCHEDULE AND ALTERNATIVE ROUTES

Temporary Road Closures and Restrictions

A Traffic Regulation Order under Section 62 of the Roads (Scotland) Act 1984, is required for the closures, turning prohibition, waiting/loading restrictions and temporary speed limit listed below in connection with the North Lanarkshire Half Marathon event on the under-noted roads from 04:00 hours to 16:00 hours on Sunday 24<sup>th</sup> August 2025.

The closures and restrictions will only be valid when the appropriate signing is in place.

Pedestrian access will be permitted at all times.
